

MLS IB DP Scheduling

1. As per MLS IB DP 2025/26 and 2026/27 calendars
 - A. Year 1 consists of 34 weeks
 - B. Year 2 consists of 28 weeks (To allow students a study leave before their external assessments)
 - C. Total weeks :(62)
 - D. Scheduling is planned based on two alternating weeks cycles (Odd and Even) (10 working days): total of 31 cycles

2. To fulfill the required instruction hours for each SL subject
 - Odd Weeks 1, 3, 5, 7..., etc. students have 3 one-hour sessions for the SL subjects
 - Even Weeks 2, 4, 6, 8..., etc. students have 2 one-hour sessions for the SL subjects.In total, five sessions every two weeks, multiplied by the 31 cycles results in 155 instruction hours

3. To fulfill the required instruction hours for each HL subjects, students have 8 sessions every cycle
Multiplying the 8 sessions by the 31 cycles results in 248 instruction hours.

4. 5 sessions every cycle are allocated for CAS ($5 \times 31 = 155$)
5. TOK has 4 sessions every cycle which results in 124 one-hour sessions which is more than required. ($4 \times 31 = 124$)
6. The extra TOK sessions are planned to be replaced by one session every 4 cycles for the extended essay, in addition to the one session/cycle already allocated to EE in the schedule to fulfill the required 40 hours.
7. The grey shaded sessions are allocated for the National Ministry of Education requirements (Arabic and Civics)
